 TRIBUTE TO THE HONORABLE
ALAN WHEAT
HON. WM. LACY CLAY

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Monday, September 22, 2008

Mr. CLAY. Madam Speaker, I rise today to pay tribute to the Honorable Alan Wheat, former Congressman who represented Missouri's 5th District from 1983 to 1994. Born to James Weldon and Emogene Wheat in San Antonio, Texas on October 16, 1951, Alan is one of three children.

Congressman Wheat made history by becoming one of the Nation's first African-Americans to represent a district with a white majority. Although it was suggested that he would only support African-American issues, one-third of Wheat's vote total in the primary came from white voters.

Throughout his career, Congressman Wheat earned the widely respected reputation of being a strong political leader and coalition builder. This well earned reputation led to him becoming the youngest member and only the third freshman Congressman in history to be appointed to the powerful Rules Committee. Dedicated to public service, Congressman Wheat ran for the U.S. Senate in 1994, won the Democratic primary and became the first minority candidate selected as a major party nominee for statewide office in Missouri. When Congressman Wheat made his bid for the Senate, he was described as "a new kind of black candidate: not simply a representative of black America but a bridge-builder between black and white America."

In 1995, Wheat became vice president of public policy and government relations for the CARE Foundation, an international relief and development organization, one of the largest of its kind in the Nation.

In 1998, Congressman Wheat formed Wheat Government Relations. With his unparalleled knowledge of the legislative process and his reputation for promoting bipartisan support, Wheat Government Relations has established him as a successful, bipartisan liai-

son between the government and the private sector.

Congressman Wheat holds a Bachelor of Arts from Grinnell College. He is married to Yolanda and has three children.

Madam Speaker, I am pleased to induct Congressman Wheat into the Missouri Walk of Fame. I urge my colleagues to join me in honoring Congressman Alan Wheat for his commitment to the great state of Missouri.

 RECOGNIZING THE BIRTHDAY OF
DR. CLAYTIE ODESSA SEARCY
HON. EDDIE BERNICE JOHNSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Monday, September 22, 2008

Ms. EDDIE BERNICE JOHNSON of Texas. Madam Speaker, I would like to take this opportunity to honor a great leader in the Dallas community: Dr. Claytie Odessa Searcy. Dr. C. O. Searcy was Pastor Emeritus and Founder of "The House of Love Church." A native Texan, Dr. Searcy made history by becoming the first Black woman to receive a Masters degree from the University of Texas. She was the second person in the history of the university to complete a Masters program in only nine months.

Dr. Searcy first began community work at the Moorland Branch YMCA in Dallas, Texas. Concerned about the boys' moral and spiritual life, she secured bibles for the entire boy's division and recognizing the need to strengthen the "total family", she organized a mothers' club which provided funds to send underprivileged boys to camp each summer.

Dr. Searcy launched her community activities when she founded the C.O. Searcy Youth Foundation. The C.O. Searcy Foundation enabled Dr. Searcy to provide food, clothes, household merchandise and other much needed items to the families of her community. She offered the adults and youth extended GED courses in conjunction with the Dallas Independent School District.

In 1966, Dr. Searcy then organized The House of Love Church, where she served as Pastor Emeritus. As Pastor Emeritus of the House of Love Church, Dr. Searcy spent her life serving others. When asked what "life" means to her, her response was, "Life is about helping someone else see who he/she really is." Today, Madame Speaker, I would like to celebrate the full life of Dr. Claytie Odessa Searcy, on this the occasion of her birthday.
